

Product Bulletin 9

Product: StorNext® 2.4.x, 2.5

Summary: Apple Xsan clients take up licenses on ADIC StorNext Metadata Controllers

Date: May 2005

Problem: StorNext versions 2.4.x and 2.5 have experienced miscounts of approved licenses when implemented with Xsan clients.

Solution: If you experience this issue, ADIC recommends upgrading to StorNext 2.5.1 build 47 or higher, or contact ADIC Technical Assistance Center (ATAC).
